

Charter School Annual Updates 2019/20

TEACHING STAFF

Each teacher is responsible for the whole education of his or her class but within that framework different teachers may teach different subjects. Teachers work in pairs or groups of three to develop their topic work, so many activities can be shared across the classes.

| Leadership Team | | | | | |
|----------------------------------------------|---------------------------------------------------------------|--------------------------------------------------------------------|----------------------------------------|----------------|----------------------------------------------------------------------------|
